

KUTADRI CON TECH

A Solution for Construction

BENGALURU, KARNATAKA

Founded and led by a postgraduate structural engineer with 15+ years experience alongside leading contractors and developers. Every project is designed and built in-house — from the first drawing to final handover.

WHO WE ARE

Arun Kumar K V

Proprietor & Structural Engineer

M.Sc Structural Engg

Univ. of Dundee, Scotland

15+ Yrs Experience

Arun has delivered residential, commercial, industrial, institutional and infrastructure projects with Design Group, Pro Max Management Consultants and L&W Constructions. Expertise spans structural design, execution monitoring, risk assessment and client relationships.

01

Quality

Best materials, best execution, no shortcuts.

02

Reliability

Scope, budget and timeline — kept as promised.

03

Transparency

You know where the project stands at every stage.

Institutional

Infrastructure

OUR SERVICES

Four services, one team.

From first drawing to final finish,
handled in-house — no gaps.

01

Planning

Feasibility, site study and project planning. Scope, budget and timeline fixed before work starts.

02

Plan Approval

Sanction drawings prepared and approvals managed with local authorities, end to end.

03

Structural Designing

Load paths, sizing and structural detailing by a postgraduate structural engineer.

04

Interiors

False ceilings, wardrobes, kitchens, joinery — complete move-in-ready handover.

SECTORS

● **Residential**

Homes, G+1 to G+5, 3,000–7,500 sft

● **Commercial**

Office & retail blocks, up to 17,000 sft

● **Industrial**

Factory sheds, mezzanines, renovations

● **Institutional**

Schools and campus buildings

● **Infrastructure**

Water tanks, clarifiers, platforms, roads

THE PLEDGE

6

**Projects a year.
That's all we take.**

Deliberate focus means the engineer's full attention on every build — careful planning, tight supervision and the best quality in the industry, every time.

WHY CLIENTS CHOOSE US

- One structural engineer leads every project
- No consultant gaps — no blame shifts
- Budget agreed before work starts
- Complete interiors, not just a structure
- 15+ years of proven delivery in Bengaluru
